This Joslin phlebotomy chair offers a compact frame size, making it the ideal product for smaller treatment rooms and offices. It features a seat section with a fixed 10° tilt, gas-assisted adjustable back and foot sections and a retractable wheelbase with foot lever control. The Joslin clinic chair is complete with a pair of phlebotomy armrests and comes available in anti-microbial vinyl upholstery options.

## Special features:

Back and leg sections adjust smoothly with gas assist levers. Legs can be independently raised and lowered. Chair swiftly converts to flat to allow for recovery position.

Retractable wheel base allows couch to be moved and positioned with ease.
